info·rom™

*Introducing the most comprehensive sales, marketing and training tool available today.*

312.226.6900

# info·rom™ advantages

- Video, data, images and audio can all be combined on one medium
- We create new digital assets and incorporate existing ones
- Lower shipping and printing costs than traditional printed materials
- User-friendly access to data through creative interactive menus
- Once created, updated content is easily incorporated into future versions
- Eye-catching disc face printing
- Complete custom packaging solutions
- Content is printable, searchable and compatible with both Windows® and Macintosh® operating systems
- All from one provider

*Every info-rom™ is designed to your exact specifications*

- Home <
- Sales Documents
- Product Catalogs
- Training Materials
- Instructional Videos
- Promotional Photos
- Music, Speeches & Interviews

(sample menu)

Today's best sales, marketing and training tool is a highly organized and searchable, fully-interactive info-rom™. Chicago Producers puts this power in your hands. Provide us with any form of data and our new media experts will author it to disc with easy to use animated menus. Info-roms™ feature higher quality video, images and audio than most Web pages, and provide instant access to your content without buffering delays.
